# FÉILE PEIL NA nÓG

APRIL 30th - MAY 1st 2016

# NOTES FOR TEAM MENTORS

The role of the mentor is vitally important to the success of Féile Peil na nÓg. The mentors influence on the team will be reflected in the spirit and the atmosphere in which the games are played. It is important that the players enjoy the whole occasion.

## SPECIFIC CO-OPERATION IS REQUIRED AS FOLLOWS:

- Be responsible for the general conduct of the players.
- Ensure that the games begin on time.
- Do not encroach on the pitch during the matches and respect the decisions of the match officials.
- Participation rather than “Win at all Costs” is the objective of Féile.
- It is expected that good sportsmanship will prevail throughout the competition.
- Players should be encouraged to shake hands with the opposition at the centre of the pitch prior to the matches and should thank the referee at the end of the game. Abusive or bad language will not be tolerated.

## SPECIAL RULES FOR “B” AND “C” TEAMS

No “B” or “C” team panel may include any more than 3 (Three) players born in 2003 or thereafter i.e. a maximum of 3 players on the panel who belong to any age group younger than Under 14.

---

**N.B. THE OFFICIAL TEAM LIST WILL BE THE ONE GIVEN TO THE REFEREE ON  
THE MORNING OF FIRST MATCH**

# Focal án gCathaoirlach, CCC2

Ba mhaith liom fáilte a chur roimh gac duine anseo inniú ach go háitithe na himreoraí. Is comortas tábhachtach é Féile Peil na nOg i saol na himreoraí óga seo agus tá súil agam go mbainfidh said sult agus tairbhe as.

I hope you all enjoy Féile Peil na nOg 2016. I have no doubt that it will be an enormous success. It is a festival of football after all and I hope that all participants, young and old, enjoy the occasion.

We welcome all our entrants this year. Féile is about participation and we are delighted that we have nine divisions again this year with seventy teams participating. I am hopeful that all divisions will be competitive and we will have a good day for our finals in Parnell Park and Blakestown Road. I wish to thank John Costello, Sean Shanley, Noel Murphy and Patsy Kiernan, along with Paul Harte and his committee in St. Peregrines for facilitating our Finals day. In relation to the finals and to all games over the weekend I appeal to all mentors and supporters alike to treat our referees, with the dignity and respect they deserve. After all without them there would be no games.

National Feile will run similar to last year's competitions, with teams being invited to partake in National, Provincial & Regional tournaments. The emphasis being on participation, giving 14/15 clubs the opportunity to represent Dublin. The winners of Divisions 1, 2 & 3 will represent Dublin at the National Feile, and we will issue details of Provincial & Regional competitions as soon as we have them to hand. We wish all clubs who go forward to represent Dublin every success in whichever competition they qualify.

Special thanks are due to a number of people: CCC2 members Mike Hanley, Dave Harford, Aidan Scully and Declan Coulter, for giving their time and assistance. Damian Murphy (Runaí), who is an enormous help to our committee. Kathleen McPoland, (Leas Runaí), who is responsible, for the programme you are now reading and for keeping track of results for all our competitions.

A special thank you to all the mentors, who give their time so unselfishly, in the promotion of Gaelic games. Thanks also go to the 18 venue coordinators who ensure the smooth running of our qualifying competition.

Finally, I hope that this weekend is enjoyable for all our players, and that the games are played in the festival spirit which "Feile" literally means. It is the responsibility of all adults involved to ensure that our young players have a positive experience of the weekend and that it will be a memorable occasion for them for all the right reasons. We wish all our teams an enjoyable and successful weekend.

Bear bua is beannacht,

# RULES GOVERNING FÉILE

## Peil na nÓg 2016

1. An Coiste Stiurtha will appoint a Venue Co-ordinator at each venue who will act as a Runai for the venue. Decisions made by the Venue Co-ordinator in the event of disputes shall be final but a Venue Co-ordinator shall not make rulings on disciplinary issues. This function is reserved for the Chairperson of CCC2 (contact Rúnaí Damian Murphy).
2. In the event of disputes the Venue Co-ordinator shall refer immediately to CCC2 for a decision.
3. In the event of a dispute relating to player illegality, or as a spot check, the Venue Co-ordinator shall have the power to demand and should receive the name, the signature and date of birth of any player who is taking part in Féile. Verbal notification of any objection must be given to the Venue Co-ordinator within 15 minutes of the end of the game. The Venue Co-ordinator should immediately notify CCC2 of any objection to allow for a decision to be made.
4. Players taking part must be under 14 years on January 1st, 2016.
5. Panels shall consist of a maximum of 24 players. Under NO circumstances may a panel contain more than 24 players and any substitute bench should have no more than 9 players kitted for play. Unlimited substitutions are allowed, but only during a stoppage in play, and with permission of the referee. However each team MUST make a minimum of FOUR substitutions in every game. Teams ignoring this regulation risk forfeiture of the game and removal from the competition.
6. Before the start of the first game, team mentors must hand their official list of (numbered) players to the referee or Venue Co-ordinator, to include each player's name and date of birth. There can be no deviation from the 24 named players from the start to the finish of the competition. The list should also include the names of the manager and up to three mentors responsible for the team for duration of the competition. Players must retain the number on his jersey throughout all games. Should a team goalkeeper (nominated as Player 1) play as an outfield player he will continue to wear his goalkeeper's jersey but will wear an over-bib if the No. 1 jersey clashes with the oppositions colours. The substitute goalkeeper must then also wear a bib to distinguish him from his team and oppositions colours.
7. A maximum of FOUR team mentors is allowed and they may not encroach on the pitch without the permission of the referee. Mentors must wear a bib to identify them clearly to the Feile officials and referees
8. A size 4 football must be used and games will be played on a normal size pitch.
9. The normal rules of football apply except that kick-outs shall be **from the hand** from the 13 metre line.
10. All games will be 15 aside, 20 minutes per half, with a 5-minute interval. The Venue Co-ordinator should have an alternative set of jerseys at his/her disposal in case of a clash of colours, tossing a coin to decide which team changes.

11. Each division will be divided into two groups of four teams (fewer if there are less than eight teams in a division); each group playing in designated venues on Saturday, April 30<sup>th</sup>, 2016 as in the programme.
12. The competition will be played on a round-robin basis within groups, with winners and runners-up in each group playing off in semi-finals, as in the programme, at a designated venue and time.
13. Teams will have three or four games on Saturday morning, April 30<sup>th</sup> commencing at 10.30a.m or earlier, depending on division.
14. All semi-finals, except the Division 1 semi-finals, will be played on Saturday afternoon, April 30<sup>th</sup> at designated venues at 3:30 p.m. as in the programme. Division 1 semi-finals will be played on Sunday May 1<sup>st</sup> at 10.30 a.m.
15. All Finals will be played on Sunday May 1<sup>st</sup> starting at 10.30 a.m. as in the programme.
16. Where Teams finish with equal points, the tie shall be decided by the following means, and in the order specified: (i) Where two teams only are involved – the outcome of the meeting of the two teams in the previous game in the Competition; (ii) Scoring difference (subtracting the total Scores Against from total Scores For); (iii) Highest total Score For; (iv) a Play-Off. Exception: If the accumulated scores of a team, so involved, are affected by a disqualification, retirement or walk over, the tie shall be decided by a Play-Off. (For Play-Off format, see 18 below).
17. In the event of a draw in the semi-finals or finals, ten minutes extra-time will be played (2x5minutes). If a draw still results after extra time, an additional period of extra time will be played with the team to register the first score to be deemed the winner. For this latter period of additional time, the referee will toss to decide which way the teams will play.
18. In the event of a play-off, the game will be 10 minutes per half, with a 5 minute interval.
19. A player dismissed for a straight red card shall miss the next game(s) in the competition for the offence for which he has been sent off; e.g. an offence that would warrant a two-match suspension means that the player is suspended for the next two games in the competition. If his suspension extends beyond his participation in the competition, his case will be dealt with in accordance with Treoiri Oifigiul (T.O.) 2016. A player sent off in a semi-final on a straight red card cannot participate in the final should his team advance and may be subject to further suspension according to the rules of T.O.2016. Where a player is sent off in a semi-final and his team does not advance to the final, his case will be dealt with in the usual way in accordance with T.O. 2016.
20. Teams progressing to the semi-final/final stages of the competition must adhere to the original team list as supplied before the first game of the competition. For clubs with more than one team participating in this Feile na nGael competition, no movement of players within panels is allowed.
21. CCC2 (contact Rúnaí Damian Murphy) shall be the final arbiter of all disciplinary matters on the weekend and should be contacted immediately if there are any queries.
