## **We propose entering 4 teams in the initial grading leagues**

- Players get maximum game time
- no player sits out most or all of a match

**This will be difficult and require buy in from all  
If it doesn't work we will revert to 3 teams for rest of the league**

Communication about availability is vital

- Text sent on Wednesday we need a reply ASAP
- Individual managers to be contacted from Friday morning

Initial Management Structure:

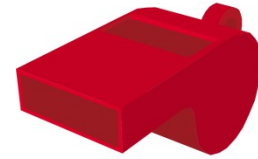

- A: Ernie (087 2327074)/Niall
- B: Jimmy (086 1045004)/AN Other
- C: Paul (087 2311981)/Des
- D: Pat (087 4129778)/Darren (U12s)

This year is different:

- Full rules, full size pitch and goals
- Adult Refs
- Red and Yellow Cards
- Fully competitive
- No rolling subs
- Much more competitive
- Very difficult to reschedule games

**We need to be committed and disciplined  
at training and at matches**

## Discipline, Commitment and Preparation

- Players must come training if they want to be on the higher teams
- Players should arrive on time for training –early if possible
- Gumshields are mandatory
- Messing at training will not be tolerated, players will be sent home
- Additional training for non hurlers will start in March

**We need help at training – any volunteers?**

## **Match Day**

- Respond to availability text ASAP
- Be on time for the game – if you have a problem let your manager know
- Gum shields are mandatory
- Syls shorts and socks should be worn

**Please don't schedule parties for match days.....**

**We need help on match days – putting up nets, flags, umpires, linesman, etc**

# Hurling

We are entering 2 teams in to the league

- Players get maximum game time
- no player sits out most or all of a match

**Text sent on Wednesday please respond**

And finally.....

Overnight trip

Fundraising

**Thanks for all your help,  
support and encouragement  
this year – Happy Christmas
